- Autodesk Maya

Animation Student

Animation | Character Design | Illustration

Hard working, open-minded and reliable student animator that is looking for an opportunity to improve my artistic expertise and develop skills that will help me in my future career. I bring a productive and dedicated approach to any work environment and always strive to work together with my colleagues. I believe my progress over the last couple years as a new artist shows how eager I am to continue learning about the industry and developing my skills.
